

The map displays the following aviation categories across the United Kingdom:

- VFR (Green):** The majority of the map area is covered by green regions, indicating VFR conditions. These are distributed across all four countries.
- MVFR (Blue):** A few small blue regions are visible, primarily in the south of England and the east of Scotland.
- IFR (Red):** No red regions are visible on this map.
- LIFR (Pink):** No pink regions are visible on this map.

The map also includes a legend titled "Aviation Categories" with the following color-coded entries:

- VFR (Green)
- MVFR (Blue)
- IFR (Red)
- LIFR (Pink)
