

This map displays the United States with various aviation categories and flight levels. The categories are color-coded: VFR (green), MVFR (blue), IFR (red), and LIFR (pink). The map shows a dense network of flight levels, with 13000 being the most prominent. Other levels include 10000, 9000, 8000, 7000, 6000, 5000, 4000, 3000, 2000, 1000, and 500. The map also shows major airports and their associated flight levels. A legend in the bottom right corner defines the color coding for the aviation categories.

**Aviation Categories**

- VFR
- MVFR
- IFR
- LIFR
