

The map displays the United Kingdom with a grid of numerical values. The values are predominantly 13000, with some variations in the north and west. The map is color-coded according to the Aviation Categories legend:

- VFR (green)
- MVFR (blue)
- IFR (red)
- LIFR (pink)

The map shows a large area of VFR (green) covering most of the country. There are several small areas of MVFR (blue) located in the north and west. There are no areas of IFR (red) or LIFR (pink) visible on this map.
