

The map displays the United Kingdom with various aviation categories and flight levels. The categories are color-coded: VFR (green), MVFR (blue), IFR (red), and LIFR (pink). The map is overlaid with a grid of flight levels, with 13000 being the most common. Other levels include 10000, 9500, 11000, 12000, 14000, 17000, and 18000. The map also shows the coastlines of the United Kingdom and the surrounding waters.

**Aviation Categories**

- VFR
- MVFR
- IFR
- LIFR
